

# Consulting Services for Non-Profits

## What's your project?

As non-profits we face multiple demands every day. Often, the more complex projects get put on the back-burner because we don't have the time or tools to address those issues.

Our consultants understand these constraints, and are committed to working with you to strategize and help you move your smaller organization to make big change in your community.

## Who we are

### The Waterloo-Wellington Learning Alliance (WWLA) Consulting Program

is a fixed-fee Consulting Service designed for organizations who are looking to improve, but have limited resources.

Our high-calibre, local consultants bring a passion for contributing to strong, resilient organizations that create well-being in their communities.

### The Process

Our affordable, fixed-fee service includes an online needs assessment, a match with the right consultant for up to 4 days, and post-engagement evaluation.

## How we can help

We're here to make quality consulting services accessible to community organizations who are looking to develop their capabilities in a number of areas:

- **Strategic Planning**
- **Leadership**
- **Board Development**
- **Team Building**
- **Facilitation**
- **Research and Evaluation**
- **Public Relations**
- **Stakeholder Engagement**
- **And more...**
