2016 Spirit Awards

Show your winning spirit!

Does your United Way workplace campaign rock? Does it feature an event that stands out for extraordinary creativity? Does it encourage others to step-up and get involved? How far will your co-workers go to help people in our community change their lives for the better?

If you think your co-workers have what it takes to inspire others in our community to get involved and make a difference, your workplace may be eligible for a United Way Spirit Award!

Our nominations committee will select three workplaces in each division (Manufacturing, Education, Public Sector and Business & Finance), with the winners to be announced at United Way's Campaign Closing & Celebration event on December 16th.

To nominate your workplace, complete and submit the following information before November 25. You can email to colleen@unitedwayguelph.com or mail to:
