Funded Programs, 2017

Your donations at work. Gifts, workplaces and individuals can do so much. Your donation to United Way will stay local and go to programs that are most needed in our community. In most cases, donations to the United Way go to organizations with committed volunteers, leveraging every dollar donated for even greater community impact.

Thanks to the generosity of our corporate and individual donors, and support of our partners throughout the community, United Way Guelph Wellington Dufferin is providing \$2.73 million in funding to 88 social service programs at 54 local charitable organizations and community agencies in 2017. These funds were raised and allocated in 2016 and will be distributed between April 1, 2017 and March 31, 2018.
