# Product Drive How-To

1

*Determine what kind of product drive you want to run! Do you want to collect non-perishable food items, personal hygiene products, clothing, toys, etc?*

2

*Decide how long you will collect items for (1 day, 1 week, 1 month, etc.) and where you will collect and store them.*

3

*Spread the word! Use email, calls, texts, or word of mouth to tell your family, friends, and neighbors. If you want to expand your reach, try posting on social media.*

4

*Once your items have been collected and you're ready to donate, email [emilie@unitedwaygwd.com](mailto:emilie@unitedwaygwd.com) to arrange a date to drop off at the United Way GWD office.*

5

*Drop off at the United Way GWD office at 85 Westmount Road, Guelph ON. Our team will arrange the distribution of items with our community partners.*

6

*Feel great knowing you've supported people in our community by getting them the things they need to thrive!*
